Kia Ora e te Whanau

Thank you to everyone who has supported the spellathon fundraiser during the past few weeks. Overall, many great spelling results were achieved and we have raised \$24 179.50 that we are very grateful for. All funds will be directed to the new school pool.

The winning classes, room 6 in the junior school, room 14 in the middle school, and room 18 in the seniors will enjoy a pizza lunch this Friday 24th, and individual prizes for the most money collected plus a number of spot prizes will be presented at next week's Tuesday assembly.

Thank you again. The pool continues to progress well. Now that it is in the ground the filtration plant, fencing, hedge trimming and concreting are in the process of being completed.

CROSS COUNTRY

Thank you to all those who supported our annual cross country event last Friday. This was held in perfect weather conditions and I was proud of the effort made by virtually all students. This was a culmination of training and build up since the beginning of the term.

A Hauraki team will represent us at the peninsula event to be held on **12 June** around a course at Narrow Neck beach. Thank you to Mr Willy Glen who has offered to train these tamariki during Monday and Wednesday lunch times.

Results are as follows:

Year 1 Boys 1 st Johnny Misur 2 nd Marek Havranek 3 rd Jack McDade	Year 1 Girls 1 st Olivia Nell 2 nd Emmerson Featherstone 3 rd Thea Smith

OPEN DAY

We have an Open Morning scheduled for **Friday 7 June 9am – 10.45am** for any prospective parents and students. This is designed to give an insight into life at Hauraki School. If you are aware of anyone who is considering Hauraki School I would be grateful if you could please pass this message on.

DO YOU HAVE ANY UNUSED MAKE UP?

Our school show is quickly approaching and we are after any unused make up. We would really appreciate any donations such as:

- lipstick blush cotton buds glitter baby wipes
 - face powder eye shadow make up brushes eye liner make up wipes
- If you could please send these to Room 15 with your child. Thank you so much, Nicola Michelsen.

PROPS

We're needing a few other bits and pieces for the show if anyone can help please: two small chairs, buoys and/or anchors, Indian carpets, leather jackets, couple of shoulder bags, fake palm trees, beach chairs, brassware of any kind, disco ball, 1970's posters.

REMINDER

Please note that all students are expected to be at school every day during term time unless unwell. The Ministry of Education is currently tracking attendance nation wide and we are required to report on this weekly. Thank you for your cooperation with this important matter.

BULLYING

A reminder, too, that we aim to keep our school environment as safe as possible for all students. If at any time you feel your child has a bullying issue please do not hesitate to let the classroom teacher or myself know. We do not like to think any child is unhappy at school and normally this can be resolved relatively easily.

ROAD SAFETY

Please note that no one should be driving into the school grounds to drop off and pick up children around 9am and 3pm. Someone did this the other day then proceeded to reverse out of the school gate and almost collected a child!

This is highly dangerous and unacceptable. Also parents should not be parking in the school grounds unless given special permission to do so i.e. children who are currently injured only with limited walking ability. Thank you for your cooperation with this matter.

Also it has been reported that some students have been crossing the road to get to the dairy. One student had a near miss the other day! I have spoken to all students at assembly about this but would be grateful if you could please impress upon your children not to do this.

WATERWISE

Adam Wilson, Maya Schick, Toby Latimer and Zoe Curtin had a fun time at the Waterwise Regatta held at Narrow Neck beach today. We achieved 5th place equal with Stanley Bay.

The children were lucky enough to have Polly Powrie, N.Z. Olympic sailing champion, answer some questions and then hand out certificates. Thank you to the volunteer waterwise instructors and parents who kindly helped out with this event.

SPORTS

Famous People

Tom Misur, Year 3, and Marcus Sowman, Year 4, represented Takapuna Football club over the weekend, competing in the U9's premier football tournament in Albany. They competed against 9 other teams from around Auckland and Northland and went on to win the whole competition. They won the semi-final in a penalty shootout against Northland and then won the final 2 - 0 against the Mako Sharks from Howick.
