Kia Ora Tatou

Thank you to all those who attended the pool opening last Friday. It was a special event in the life of Hauraki School and we look forward to lots of exciting swims ahead. And a big thank you, again to all of you who have contributed to this project in so many different ways over the past few years.

Please ensure that your child brings their togs on their allocated days as swimming is part of our P.E. programme.

A big thank you to Michael Hawkins and Nulon NZ for the donation of new pool noodles. He is the husband of teacher Sharon Hawkins. The equipment is a welcome addition.

Thank you to all those who indicated interest in being part of the Swim School recently. At the moment we are in the process of developing agreements and procedures before releasing final organisation for these lessons. Lauren Boyle, the swim coordinator will be in touch as soon as she is able.

## CITY MISSION

The 2024 year book is to be distributed at the end of the school term that will serve as a reminder of the year that has been. Enjoy and treasure the memories!

## PTA NEWS

2024 will be remembered as the year we finally finished fundraising for our Cool School Pool and saw so many years of hard work come to fruition with the celebration of the Pool opening last week. We are so incredibly grateful to the Hauraki School community, both current and past, and their support in making this happen. A massive thanks again to Steve Eagles for his perseverance and determination when putting in the hard yards to see this project through to its completion.

Moving forward, we will be seeking new ways we can add value to our school community and are looking for new fundraising initiatives to work towards. We are excited to see where this will take us in 2025 and beyond.

Fundraising efforts this year consisted of:

- Knowledge-athon
- Electric Picnic
- School Disco
- Moana Movie Fundraiser
- Sales of the non-compulsory Hauraki school uniform items

Thank you to everyone who was part of a subcommittee on these events and helped in pulling them all together, and a big thanks to all our sponsors, supporters and volunteers who contributed in anyway. Without you they wouldn't have been possible!

The PTA is run by a great group of Hauraki parents, and every few years as students grow up and move on to Intermediate, we have to say goodbye to some amazing and valuable people from our team. This year our Treasurer Victoria Gaylard is one of those, and we cannot thank her enough for her dedication to keeping our financials in order, especially throughout the final stages of the massive pool project. We are also saying goodbye to Dorothee Basel, a longtime PTA member who has been involved in countless fundraisers and initiatives, particularly our movie fundraisers, always with effortless positive vibes and energy. We thank you both for your time and dedication and wish you both well!

### **Save the date:**

After the continued success of our annual **Hauraki Electric Picnic**, it will be making a comeback early in 2025. Save the date in your calendar for **Saturday 8th March** – more details to come! If you would like to join the Electric Picnic committee, please reach out to Adam Bennett [adamb@highlife.co.nz](mailto:adamb@highlife.co.nz).

If there are any events/fundraisers/initiatives you would like to see on our PTA calendar going forward into the new year, we are always looking for new ideas and community direction. We would appreciate and value your input by filling out this short [google form](#), which will provide us with valuable feedback and allow us to cater to the interests of our school community when planning our events.

If you would like to join or hear more about the PTA, please come along to the first meeting of 2025, **Tuesday 18th February @ 7pm** in the school staff room. We are always happy to welcome new faces!

Wishing you all a safe and happy holidays with your families. See you in 2025!

Meri Kirihimete everyone,  
Hauraki School PTA.
